TO: THE DIRECTOR

FROM:

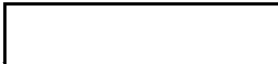

SUBJECT: NSSM-95

REMARKS:

1. Attached is State's first draft of the paper commissioned by NSSM-95. I know you are already swamped with paper, but nonetheless recommend that you give this document at least a quick skim. It gives the full, developed flavor of the mind set with which our State colleagues approach the Indochina problem.

2. Moore wants to meet on this some time on Monday afternoon (15 June). I am caucusing with the brethren at 1330, Monday. I will, of course, play my hand in accordance with your instructions as relayed in our Thursday, 11 June, conversation.

SUBJECT: NSSM-95

REMARKS:

1. Attached is State's first draft of the paper commissioned by NSSM-95. This draft was prepared under the aegis of Mr. Jonathan Moore. I will refrain from making any comment at this time except to say that this State draft is not going to be any easier to come to grips with than was the State draft of the response to NSSM-94.

2. Moore is going to call a meeting sometime on Monday afternoon. The final text is due at the White House by 19 June. I would, therefore, like to caucus briefly in my office at 1330 Monday (15 June) to block out the way I play the Agency's hand.
